## EVAPORATIVE EMISSION CONTROL WARRANTY STATEMENT YOUR WARRANTY RIGHTS AND OBLIGATIONS

Your new RIDGID® brand gasoline powered product complies with all applicable U.S. EPA, Environment Canada, and State of California emissions regulations.

The evaporative emissions portion of this coverage, as described below, is provided by Techtronics Industries North America, Inc. Separate emissions warranty coverage for other emissions related components is provided by the engine manufacturer, as stated in a separate “Emission Control System Warranty” included with this product. Of course, this product also includes a warranty that is not limited to emissions related components, as described elsewhere in this operator’s manual.

### CALIFORNIA EVAPORATIVE EMISSION CONTROL WARRANTY STATEMENT

The California Air Resources Board and Techtronics Industries North America, Inc. , are pleased to explain the evaporative emission control system’s warranty on your 2006 model year pressure washer. In California, new equipment that uses small off-engines must be designed, built, and equipped to meet the State’s stringent anti-smog standards. Techtronics Industries North America, Inc. must warrant the evaporative emission control system on your pressure washer for the period listed below, provided there has been no abuse, neglect or improper maintenance of your equipment.

Your evaporative emission control system may include parts such as: carburetors, fuel tanks, fuel lines, fuel caps, valves, canisters, filters, vapor hoses, clamps, connectors, and other associated components. For engines less than or equal to 80 cc, only the fuel tank is subject to the evaporative emission control warranty requirements of this section.

#### MANUFACTURER’S WARRANTY COVERAGE:

This evaporative emission control system is warranted for two years. If any evaporative emission-related part on your equipment is defective, the part will be repaired or replaced by Techtronics Industries North America, Inc.

#### OWNER’S WARRANTY RESPONSIBILITIES:

As the pressure washer owner, you are responsible for performance of the required maintenance listed in your owner’s manual. Techtronics Industries North America, Inc. recommends that you retain all receipts covering maintenance on your pressure washer, but Techtronics Industries North America, Inc. cannot deny warranty solely for the lack of receipts.

As the pressure washer owner, you should, however, be aware that Techtronics Industries North America, Inc. may deny you warranty coverage if your pressure washer or a part has failed due to abuse, neglect, or improper maintenance or unapproved modifications.

You are responsible for presenting your pressure washer to a Techtronics Industries North America, Inc. distribution center or service center as soon as the problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

If you have a question regarding your warranty coverage, you should contact Techtronics Industries, Inc., attn: Pressure Washer Technical Service at (toll free) 1-866-539-1710.

## DEFECTS WARRANTY REQUIREMENTS:

- (a) The warranty period begins on the date the engine or equipment is delivered to an ultimate purchaser.
- (b) General Evaporative Emissions Warranty Coverage. The equipment must be warranted to the ultimate purchaser and any subsequent owner that the evaporative emission control system when installed was:
  - (1) Designed, built, and equipped so as to conform with all applicable regulations; and
  - (2) Free from defects in materials and workmanship that cause the failure of a warranted part for a period of two years.
- (c) The warranty on evaporative emissions-related parts will be interpreted as follows:
  - (1) Any warranted part that is not scheduled for replacement as required maintenance in the written instructions must be warranted for the warranty period defined in subsection (b)(2). If any such part fails during the period of warranty coverage, it must be repaired or replaced by the manufacturer issuing the warranty. Any such part repaired or replaced under the warranty must be warranted for a time not less than the remaining warranty period.
  - (2) Any warranted part that is scheduled only for regular inspection in the written instructions must be warranted for the warranty period defined in subsection (b)(2). A statement in such written instructions to the effect of "repair or replace as necessary" will not reduce the period of warranty coverage. Any such part repaired or replaced under warranty must be warranted for a time not less than the remaining warranty period.
  - (3) Any warranted part that is scheduled for replacement as required maintenance in the written instructions must be warranted for the period of time prior to the first scheduled replacement point for that part. If the part fails prior to the first scheduled replacement, the part must be repaired or replaced by the manufacturer issuing the warranty. Any such part repaired or replaced under warranty must be warranted for a time not less than the remainder of the period prior to the first scheduled replacement point for the part.
  - (4) Repair or replacement of any warranted part under the warranty provisions of this article must be performed at no charge to the owner at a warranty station.
- (5) Notwithstanding the provisions of subsection (4) above, warranty services or repairs must be provided at distribution centers that are franchised to service the subject engines or equipment.
- (6) The owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.
- (7) Throughout the evaporative emission control system's warranty period set out in subsection (b)(2), the manufacturer issuing the warranty must maintain a supply of warranted parts sufficient to meet the expected demand for such parts.
- (8) Manufacturer approved replacement parts must be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of the manufacturer issuing the warranty.
- (9) The use of any add-on or modified parts will be grounds for disallowing a warranty claim made in accordance with this article. The manufacturer issuing the warranty will not be liable under this Article to warrant failures of warranted parts caused by the use of an add-on or modified part.
- (10) The manufacturer issuing the warranty shall provide any documents that describe the warranty procedures or policies within five working days of request by the Air Resources Board.

## EMISSION WARRANTY PARTS LIST:

- 1) Fuel Line
- 2) Fuel Line Clamps
- 3) Fuel Line Fittings

Written instructions for the maintenance and use of the evaporative emissions control system by the owner shall be furnished with each new pressure washer.

## RIDGID® PRESSURE WASHER 3 YEAR LIMITED WARRANTY

Proof of purchase must be presented when requesting warranty service.

This product is manufactured by Techtronic Industries North America, Inc. The trademark is licensed from RIDGID, Inc. All warranty communications should be directed to Techtronic Industries North America, Inc., attn: Pressure Washer Technical Service at (toll free) 1-866-539-1710.

### WHAT IS COVERED UNDER THE 3 YEAR LIMITED WARRANTY

This RIDGID® pressure washer is warranted to the original purchaser only to be free from defects in material and workmanship subject to certain exceptions and limitations stated below, for a period of three (3) years after date of purchase.

**COMMERCIAL AND RENTAL USE:** For commercial and/or rental use of models up to 3200 PSI, the warranty is limited to 120 days after date of purchase.

Warranties for other RIDGID® products may vary.

### WHAT IS NOT COVERED

This warranty does not apply to damage from misuse, alterations, abuse, normal wear and tear, lack of maintenance, accidents, or repairs made or attempted by anyone other than an authorized service center for RIDGID® pressure washers.

**Normal Wear:** This warranty does not cover repair when normal use has exhausted the useful life of a part such as a high pressure hose, spray wand, nozzles, trigger handle, supply hoses, quick couplers, gaskets, valves, pistons, pump valve assemblies, o-rings, water and oil seals.

Additionally, the warranty on this pressure washer does not cover damage due to freezing, chemical deterioration, rust, corrosion, scale build up, thermal expansion, or failure to maintain adequate water supply as instructed in the Operator's Manual.

This warranty does not cover freight or labor charges associated with the inspection and testing of pressure washers which are found not to be a valid warranty claim.

**Gasoline Engine - Warranty:** The gasoline engine on this pressure washer is separately warranted by the engine manufacturer and is serviced through the engine manufacturer's authorized service center network. Ridgid, Inc., and Techtronic Industries North America, Inc., disclaim any and all express or implied warranties with respect to the gasoline engine.

**RIDGID, INC. AND TECHTRONIC INDUSTRIES NORTH AMERICA, INC. MAKE NO WARRANTIES, REPRESENTATIONS OR PROMISES AS TO THE QUALITY OR PERFORMANCE OF ITS PRESSURE WASHERS OTHER THAN THOSE SPECIFICALLY STATED IN THIS WARRANTY.**

### HOW TO OBTAIN SERVICE

To obtain service for this RIDGID® pressure washer you must return it, freight prepaid, or take it in to a manufacturer-authorized service center for RIDGID® pressure washers. You may obtain the location of the authorized service center nearest you by calling **(toll free) 1-866-539-1710** or by logging on to the RIDGID® website at [www.ridgid.com](http://www.ridgid.com). When requesting warranty service, you must present the original dated sales receipt. The authorized service center will repair any faulty workmanship, and either repair or replace any part covered under the warranty, at our option, at no charge to you.

### ADDITIONAL LIMITATIONS

To the extent permitted by applicable law, all implied warranties, including warranties of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, are disclaimed. Any implied warranties, including warranties of merchantability or fitness for a particular purpose, that cannot be disclaimed under state law are limited to three years from the date of purchase. Techtronic Industries North America, Inc., and RIDGID®, Inc., are not responsible for direct, indirect, incidental, or consequential damages. Some states do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

This warranty applies to product sold in the U.S.A., Canada, and Mexico only.

Please consult RIDGID's website at [www.ridgid.com](http://www.ridgid.com) or call **(toll free) 1-866-539-1710** to locate your nearest manufacturer-authorized RIDGID® service facility for warranty and non-warranty service on this RIDGID® **pressure washer**.
