

# Pictures like these were meant to be shared.

Share them with your customer. Send them to the manufacturer. Show them to a fellow contractor. With the new RIDGID® microEXPLORER™ Digital Inspection Camera, you will shoot still and video images in hard-to-reach areas and then share those images with others.

And now, when you purchase and register your microEXPLORER Digital Inspection Camera at [www.microEXPLORERcamera.com](http://www.microEXPLORERcamera.com), you'll receive a FREE 2GB SD Card.
