

RIDGID® - WD1250

12 Gallon High Performance Wet/Dry Vac

This new RIDGID® 12 Gallon High Performance Wet/Dry Vac is designed for Pro's and DIY'ers who want a traditionally styled, medium sized vac that delivers the powerful performance and rugged durability required for job site clean-up. Its 5.0 peak HP motor delivers the suction power necessary to handle tough clean-up chores. The 12 gallon drum size results in a more compact vac design that requires less storage space on a service truck or in a work shop or garage. However, it still offers the capacity to handle large messes.

FEATURES	BENEFITS
• 5.0 Peak Hp Motor	Delivers the powerful suction needed for efficient clean up of large messes.
• Sound Reduction Technology	Scroll Noise Reduction® is a patented feature that provides quiet operation by precisely controlling the flow of air through the vac.
• 12 Gallon drum	Provides capacity for clean-up of large spills & messes at job-sites and busy shops.
• 4 Swivel Casters	Provide easy 360° mobility
• On-board Accessory Storage	Six unique built-in accessory storage pockets – 2 on the vac lid and 1 on each caster foot. No more searching or fumbling to find accessories
• Lower Center of Gravity	Design lowers the center of gravity to help prevent tipping. Compact design stores more easily.
• 1-Layer Standard Filter	Pleated paper filter captures common everyday dirt.
• 160 MPH Blowing Capability	Insert hose in exhaust port and use 160 MPH air-stream to blow saw dust from tools and debris from garages, decks & sidewalks.
• Tug-A-Long® Locking Hose	Positively locks 7-foot hose to the vac. Hose won't pull loose during use.
• Large Built-In Drain	Drain located to lowest point of drum for complete emptying of water.
• Included Accessories	2-1/2" x 7' Tug-A-Long® Locking Hose, 2 Extension Wands, Utility Nozzle, Car Nozzle, Wet Nozzle, & 1-Layer Paper Pleated Filter
