Dear Customer,

Subject: REACH compliance statement for Ridge Tool Company products

This document is Ridge Tool Company statement regarding EC Regulation 1907/2006, also known as REACH (Registration, Evaluation, Authorization and Restriction of Chemicals).

Article 33 “Duty to Communicate information on substances in Articles”

1. Any article supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0.10% weight by weight shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of the substance.

2. On request by a consumer, any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0.10% weight by weight shall provide the consumer with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of the substance.

Ridge Tool Company Response: The products listed in the annex contain the following substances listed on the “Candidate List of substances of very high concern” dated June 27, 2018.

| | |
|---|--|
| Substance | DECAMETHYLCYCLOPENTASILOXANE |
| CAS # | 541-02-6 |
| EC # | 208-764-9 |
| Classification and SVHC Properties | According to the notifications provided by companies to ECHA in REACH registrations no hazards have been classified. |
| Information on safe handling including safe disposal if relevant | Handling: Wear appropriate personal protective equipment, including gloves. Wash hands after handling. Avoid inhalation of vapor or mist. Keep away from sources of ignition - No smoking. Take measures to prevent the buildup of electrostatic charge. Storage: Keep container tightly closed in a dry and well-ventilated place. Storage class (TRGS 510): 10: Combustible liquids |
