Dear Customer,

Subject: REACH compliance statement for Ridge Tool Company products

This document is Ridge Tool Company statement regarding EC Regulation 1907/2006, also known as REACH (Registration, Evaluation, Authorization and Restriction of Chemicals).

Article 33 “Duty to Communicate information on substances in Articles”

1. Any article supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0.10% weight by weight shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of the substance.
2. On request by a consumer, any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0.10% weight by weight shall provide the consumer with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of the substance.

Ridge Tool Company Response: The products listed in the annex contain the following substances listed on the “Candidate List of substances of very high concern” dated June 27, 2018.

Substance	LEAD (II) OXIDE
CAS #	1317-36-8
EC #	215-267-0
Classification and SVHC Properties	N/A
Information on safe handling including safe disposal if relevant	Identified as substance meeting the criteria of Article 57 (c) of Regulation (EC) 1907/2006 (REACH) owing to its classification as toxic for reproduction category 1A2 which corresponds to classification as toxic for reproduction category 13.
